

Certification, Credit Options, and Cost

Courses can be taken for certificate only or certificate and graduate credit.

Certificate only courses will be awarded a certificate of completion upon satisfactory submission of all course work.

Cost for certificate only courses is \$100 per credit hour.

Cost for graduate credit is \$200 per credit hour for George Williams College of Aurora University or \$205 per credit hour for Viterbo University.

You will select the option upon registration.

Benefits of each option?

Certificate courses may satisfy requirements of a Professional Development Plan or for graduate credit. Each credit hour requires 15 hours of work.

Note that the Online Teacher Certification Program certificate fulfills the [Wisconsin DPI requirements](#) for online teacher certification. Graduate credit may satisfy licensure renewal requirements.

Transcripts may be provided upon request from the Learning Journeys affiliated universities upon completion.
